Weekly Schedule for 3/23-3/29, 2015

Enjoy dinner at a movie!

Get takeout from your favorite restaurant or order beer or pizza from the nearby Cork & Crust, and enjoy your dinner

in our comfy seating while you watch the movie! Most seats have food trays in front of them.

Rent the Cinema for your event!

Hold your event in our cinema right in the middle of downtown, with a bar, cafe, two restaurants, and lots

more right outside. Whether you want to show a film, give a talk, do videoconferencing, or lead an ongoing class, we have a unique venue for you!

Where are the movies this week?

We're taking a break from showing movies this week, to work on revamping the kind of programming we offer at Compact Cinema. Almost nobody has been coming to the movies, so we need to do something different. Keep an eye on our website at www.compactcinema.org to see what we come up with. If you have any ideas or suggestions, please email us at info@compactcinema.org. Thank you for your patience as we work on what to do next.

Weekly TED Talk

12:00pm

"Public shaming as a blood sport has to stop," says **Monica Lewinsky**. In 1998, she says, "I was Patient Zero of losing a personal reputation on a global scale almost instantaneously." Today, the kind of online public shaming she went through has become constant — and can turn deadly. In a brave talk, she takes a hard look at our online culture of humiliation, and asks for a different way.
